## ***SIA CARES OPEN HOUSE AND SIA CARES WEEK***

### **SIA Cares Open House Tour Highlights**

**Explore SIA's Heritage:** 400 individuals from communities in need and their caregivers took a journey back in time and explored 76 years of SIA's heritage. The highlights include a display illustrating the evolution of the iconic SIA cabin crew uniform and SIA's cabin products over the years. A special showcase on Singapore's founding Prime Minister Mr Lee Kuan Yew and his vision for the Airline was included as part of this heritage tour.

**Learn More About SIA's Training Facilities:** SIA's pilots and cabin crew took these individuals through an exclusive look into what it takes to fly and serve in the skies. The tour featured SIA's cabin products, flight simulators, and how training for safety and emergency procedures are conducted.

**Meet the SIA Family:** Individuals had the opportunity to interact and take photos with SIA's cabin crew, pilots, and engineers.

**Satisfy In-flight Cravings:** Individuals could choose from a selection of the Airline's popular in-flight meals including SIA's signature *satay*, *nasi lemak*, chicken ball congee, minced chicken penne pasta, and vegetarian *pad thai*. This was served in sustainable paperware that has been certified by the Forest Stewardship Council (FSC) and accompanied with bamboo cutlery.

**Enjoy Fun-filled Activities:** Individuals took part in fringe activities including cornhole toss games, instant sticker tattoo stations, and indulged in snacks including popcorn and *kacang puteh*.
